

## THE CUPE CREED

A long time ago W.C. Cupe had a vision that all the little children would have an education.

Today his dream came true.

Today is the beginning of the rest of my life.

I was created to be more precious than jewels.

Therefore, everyday is an opportunity for me to set a goal and achieve it.

I will come to school on time, prepared and ready to learn.

I will not let anything or anyone stop me from being the smartest in the world.

I will be honest and fair.

I will not fight or argue.

Instead, I will think before I act,

I will think before I speak,

If I need help, I will ask for it.

I will set a good example for others by using my manners throughout the day.

I will never fail to be the first to say, "Can I help you?"

At the end of every day, I will leave knowing that I did my best,

Never gave up and I treated all people with respect and dignity.

Before I close my eyes,

I will not forget to be thankful for a "plain 'ole great day!"
